New York.

My dear Mr. Scheider:-

I have your letter of the 25th, and I am very sorry indeed that I did not catch the misspelling of your name before the memorandum was sent you. I have noted this now however, and will endeavor to see that the circumstance does not occur again.

I am also sending you, under separate cover, a copy of an historical sketch illustrating the medals which have been issued by our Society. Some but not all of these may still be had.

Should you know of any one interested in the purpose of our organization, if you will provide me with the names and addresses I will be very glad to send them application cards. If you have not already visited our Museum, I am sure you will enjoy doing so - it will give us great pleasure to welcome you.

Very respectfully yours,

Secretary.

Dear Mr. Stone:-

I beg to acknowledge receipt of your letter of the 26th. I am making the alteration on our records and mailing list. I hardly think it would have been necessary to have a new receipt but I am enclosing one to cover the possibility.

We are planning to open an exhibition of the insignia and marks of identification on the uniforms of the soldiers and sailors in the course of the coming month. I hope you will be able to get up to see it.

Very respectfully yours,

Secretary.

Dear Sir:-

On entering up the accounts for the past month, the book-keeper, who had been ill for some little time, found that you had sent in a check for ten dollars instead of eight for a silver membership medal. I am therefore enclosing our check for two dollars to cover the difference, and trust that by this time you have received the medal, and are pleased with it.

Yours very truly,

Curator.
